# Introducing Zogo Classroom:

## **What is it?**

Zogo Classroom is a web-based financial literacy platform that allows educators to monitor their students progress.

## **How do I access it?**

Your Zogo representative or financial institution partner should give you a link to access your version of Zogo Classroom.

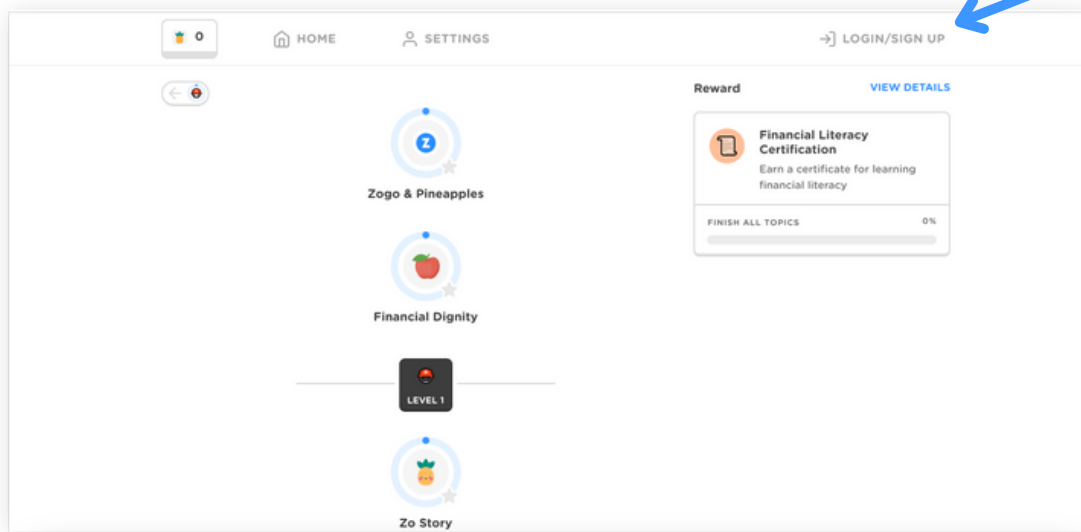

## **Now what?**

Use this guide for step-by-step instructions, or watch a video of the sign up process by clicking [here](#).

# Step-by-Step:

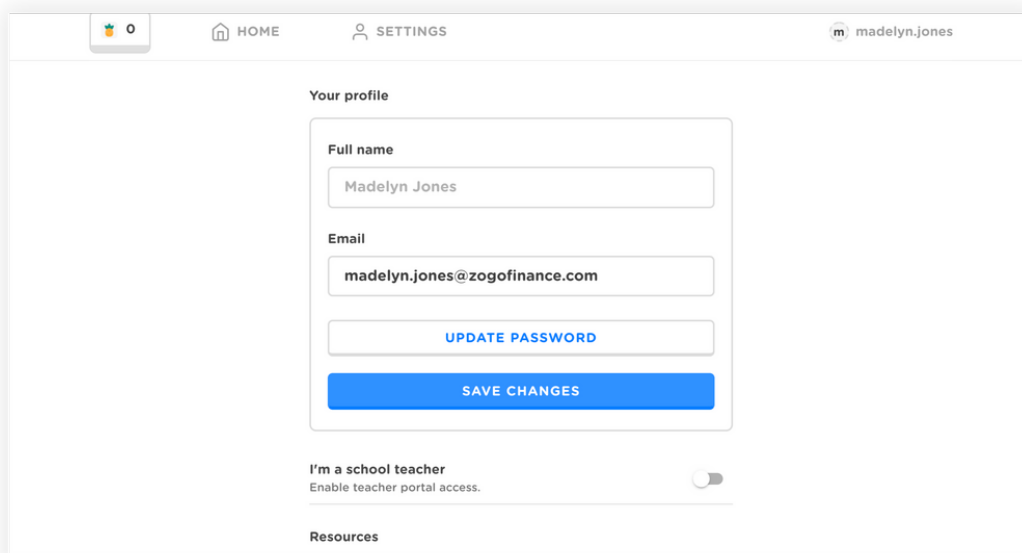

## 1. Sign up

To get started, go to the link provided to you by Zogo and select "Sign Up" in the top right corner (click into a topic if you don't see it)

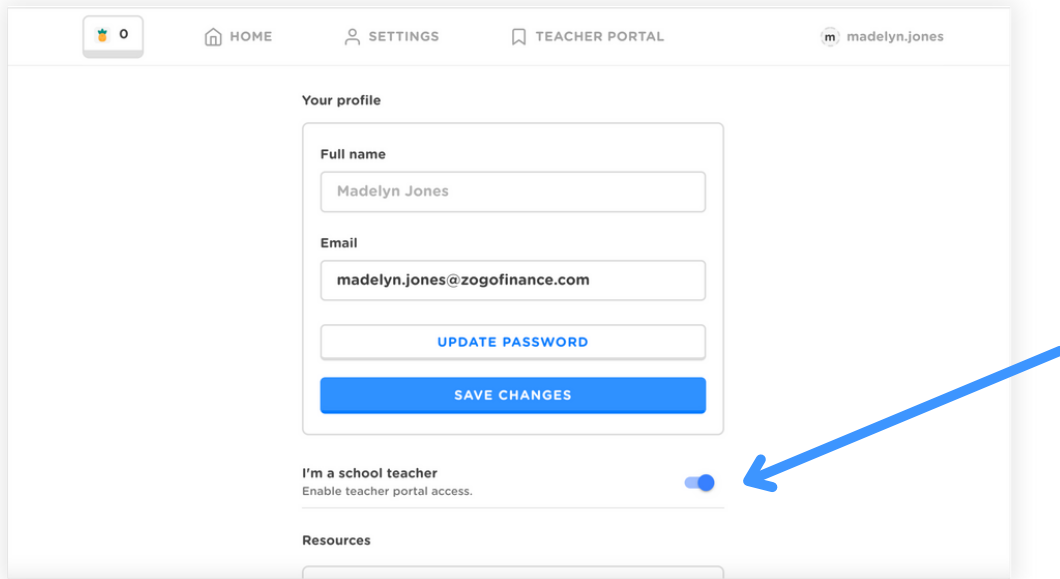

## 2. Create account and go to profile

Sign up with your school email and click into your profile by selecting your name in the top right

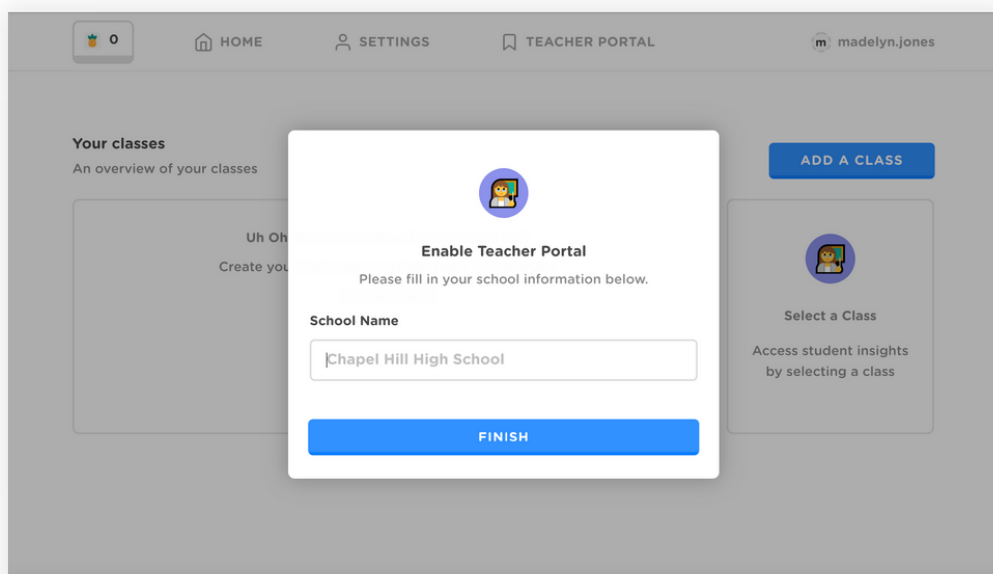

### 3. Toggle the widget to say you're a school teacher

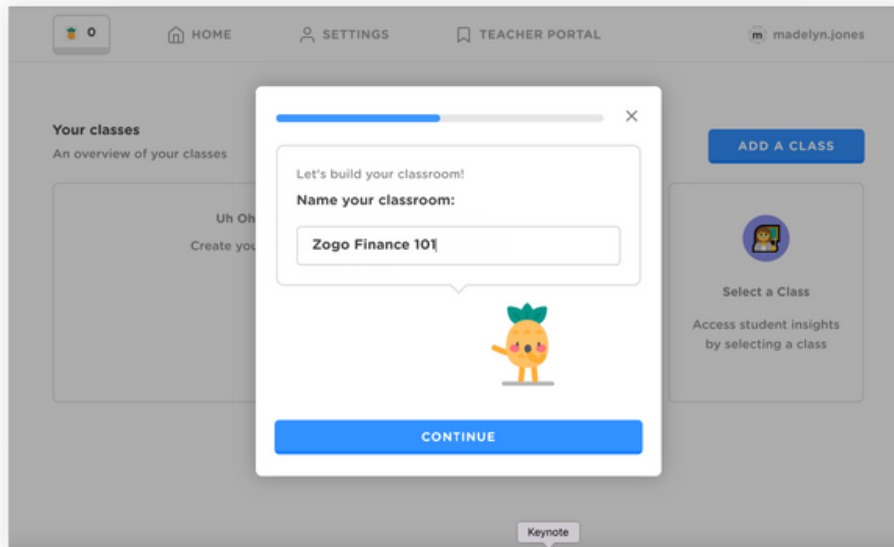

### 4. Go to your teacher portal & add your school

Sign up with your school email and click into your profile by selecting your name in the top right

## 5. Add your class

## 6. Share class code with students

Share your class URL with your students and they'll be automatically enrolled in that section
