Dear Members,

I’ve often said you, our Members, are the reason for everything we do. That is true now more than ever. I want to thank you for your patience and understanding as we’ve adjusted our operations to protect you and our Team Members. While we plan for a variety of situations, this is an unprecedented time for you and your Credit Union. Your kindness and flexibility have allowed us to act quickly, prioritizing your health and safety, while still meeting your financial needs.

We live by our mission of being Centered Around You and that means serving you and all our Members in any way we can. The COVID-19 Pandemic negatively impacted many of our Members through reduced work hours, temporary closings, and other difficult situations. We are here to help.

Learn more about our Financial Relief Options at Centra.org/financial-relief. Every situation is unique, so please reach out to us at 800-232-3642 if you have any questions.

Over the last few weeks, I’ve talked with many Team Members in our branches, and the stories I’ve heard truly embody the Credit Union principle of ‘People Helping People.’ I admire the resiliency and compassion our Members have shown, and we want to share that message with the communities we serve. Recently, food pantries have been working around the clock to support their communities, and United Way chapters have created COVID-19 relief funds in many of our communities. Through a combination of direct donations and community matching, we have donated $70,000 to food pantries and United Way agencies throughout our footprint to help ensure that families have access to necessities.

We are honored to give back to our communities, and we take pride in remaining local and community focused. As a Member, I hope you also feel a sense of pride in the support we have been able to offer our communities. Recently, the United Way of Bartholomew County awarded our Credit Union with the Live United Award. This award is presented to one corporate partner based on their commitment to the United Way’s mission through advocacy, volunteerism, and financial support. We are humbled to receive this recognition.

Thank you for supporting Centra and supporting your community. Together, we are stronger.

Sincerely,
- Rick Silvers

Loretta M. Burd
High School Scholarship Recipients

The Centra Foundation places a high value on education and the importance of individuals pursuing higher education opportunities. That’s why we offer scholarships for graduating high school seniors and non-traditional students who plan to attend a two or four year college, university, or technical school.

We are excited to announce we awarded one $2,500 High School Scholarship per Centra Location, and two $2,500 Adult Scholarships, for a total of twenty five High School, and two Adult Scholarships in 2020.

The Centra Foundation would also like to recognize to Shirley Shea for her support to the Loretta M. Burd Adult Scholarship Program. The adult scholarship program is designed for adults over the age of 22 who have realized the importance of post-secondary education for their career and family. We are very grateful for such a great community partner!
In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.
